WASTE MANAGEMENT POLICY	Policy No: MDC/WM/2021/31 Date: 05/12/2021 Issue: 00 Pages: 1-3
POLICY Madha Dental College and Hospital has developed and adopted a sustainable waste management policy. This policy ensures prevention of contamination and protection of environment with effective waste management. The primary focus is to minimize the waste generation to ensure a safe and healthy working environment for all the stakeholders.	
OBJECTIVES <ul style="list-style-type: none">• To ensure that waste management is done in accordance with the legislative requirements.• To segregate, collect, store, treat and dispose biomedical waste as per Biomedical Waste Management (BMW) Rules, 2016.• To encourage the students and staff to follow the principles of Reduce, Reuse, Repurpose and Recycle to ensure sustainable waste management.• To minimize waste generation at source, reuse and practice recycling of wastes in a cost-effective manner.• To provide clearly defined roles and responsibilities to co-ordinate the process of waste management.• To invest into the expansion of recycling opportunities on the College campus and transform waste into value added products.• To ensure safe handling and storage of hazardous, infectious and sharp waste.• To provide appropriate training for doctors, residents, non-teaching staff, students and other stakeholders on waste management by live webinars and workshops.• To reduce E-waste by proper and periodic maintenance of the electrical devices and discarding E-waste using external agencies.• To organize and hand over the recyclable materials, biomedical waste and hazardous
